Annual report 2015

Dear members, sponsors and friends,

We wish you a happy new year!

Our activities in supporting underprivileged students in Bangladesh were continued successfully in 2015. For your information here are some of the facts and figures of our volunteer work:

Supported students

In 2015 we have supported 299 students (168 girls & 131 boys) from 20 districts in Bangladesh. Many members of BJF also visited some schools and met the supported students and local coordinators during their visit to Bangladesh.

Seven out of 35 students have achieved the desired "Golden A+". We are delighted and congratulate the hard-working students.

We are confident that these meritorious students will carry on their hard work and passion and later on will support our organization once they are established in their respective fields.

Visit our website in order to know more about the supported students and respective areas:

Money distribution

In 2015, 20,000 Euro was transferred to Bangladesh in four-month interval. A bank transaction from Germany to Bangladesh costs 15 Euro. A Transaction within Bangladesh from the central account to every school costs between 0.50 Euro and 0.80 Euro. This time, these costs were not incurred since the money transfer took place through cash withdrawal and direct distribution to the schools. We are still working on it to find a better solution for money transfers to Bangladesh and within Bangladesh.

Financial condition of the organization

At present there are 156 members.

As of 31.12.2015, total collected membership fee in 2015 is 19,062.50 Euro. Received donation is 4,946.76 Euro.

Receipts of membership fee will be sent to all members for tax declaration by the end of January 2016.

A general assembly for all the members and 3 meetings of management board were held in 2015.

Cultural event of "Bangladesch Jugendförderung e.V." in December 2015

Our cultural event on 6th of December was a big success with approximately 90 visitors audiences.

The essence of the program was a wonderful blend of various events: some presentations on our activities, discussion about job opportunities for the Bangladeshi students from different German universities, performance of the Bengali dance group "Moyuri", Bengali poem recitation, mesmerizing music by guest artists and local Bangladeshis and mouth watering Bangladeshi dinner.

Big thanks to the organizers, the two families who volunteered the food, all the hard-working helpers and last but not the least all those well-wishers who support us through their voluntary donations of to our organization.
