Annual Report 2025

Dear members, supporters, and friends,

Thanks to your continuous support and generous assistance, our association stands on a solid foundation and can carry out its work reliably and sustainably.

Ahead of our upcoming annual meeting, we would like to provide you here with an overview of our activities, data, and facts regarding our engagement in 2025.

Sponsored Students In 2025

A total of 466 students (287 girls and 179 boys) from 27 regions in Bangladesh received our sponsorship. Of these, 48 young people received their SSC (Secondary School Certificate) after grade 10 and 28 scholarship holders received the HSC (Higher Secondary School Certificate) after grade 12. Their outstanding achievements were also made possible thanks to your help. Besides we were able to award three one-time university scholarships. Thanks to your financial support, we were even able to increase the number of sponsored students by 20 compared to the previous year.

Distribution of Scholarship Funds

In 2025, a total of €29,176 was sent to Bangladesh as regular support in four-month intervals. Our thanks go to the coordinators in Germany and Bangladesh, who ensure that the funds regularly and punctually reach the students we support.

Financial Situation of the Association

Since the number of members has risen to a new high of 236 by the end of the year, we recorded a total of €27,917 in membership fees. In 2025, we also received about €800 more in donations, for a total of €11,312.

In February 2026, all members were sent their donation receipts for the year 2025 via email or post.

Since we consistently work on a voluntary basis, our administrative costs are very low. In 2025, they amounted to only about 1.4% of revenue.

Activities of the Association "Bangladesch Jugendförderung e.V." in 2025

Last year, three board meetings were held, which mainly dealt with organizational issues, such as improving processes for money transfer, increasing membership fees, more secure email communication with Netxp-Verein, and planning a barbecue party. Our annual general meeting took place on September 30, 2025.

The membership fee remains 120 EUR per year.

The Working Committee forms the backbone of our work. Here, the districts and scholarship recipients are managed, scholarship funds are calculated and prepared for distribution, which are then instructed for payment by our treasurer. At this point, we sincerely thank all active members for their voluntary commitment.

You are warmly invited to actively participate in the club's work. To receive invitations to our regular meetings, please send us an email at contact@bangladesch-jugendhilfe.de
